

Product Specification

Product Information:

Products:	Mercuric acetate TS
Catalog:	TS14155
Grade:	Test solution

Reagent Used:

Reagents	CAS #	Grade
Acetic acid	64-19-7	ACS
Mercuric acetate	1600-27-7	ACS

Specification:

Test	Specification
Appearance	Colorless to light yellow liquid.

- For laboratory use only.
- The contents of Product specifications are subject to change.
- Storage: For information refer respective product safety data sheet (SDS).
